Set around landscaped waterways and adjoining the historic Fossdyke Navigation, the development offers an attractive mix of waterside walks, marina activity, restaurants, shops and services, creating a relaxed and highly individual environment just a short distance from Lincoln. The nearby Cathedral City is renowned for its striking Cathedral and Castle, together with the cobbled streets of the historic Uphill quarter, independent boutiques, restaurants, cafés and a wide range of cultural and leisure facilities.

The location is also particularly convenient for commuters and those travelling further afield. Road links are equally convenient, with the A46 providing access towards Newark, the A1 and the wider regional road network, while the A57 offers routes towards Gainsborough and the north.
