

Wilshaw Close, London, NW4

Guide price of £250,000 to £275,000. Positioned on the first floor of a modern, purpose built block, this one bedroom apartment presents a straightforward investment opportunity with the benefit of a private parking space, a long lease, and no onward chain.

The layout is simple and functional, with a well proportioned reception room that allows space for living and dining, and opens to a Juliette balcony. The kitchen sits just off the living space and provides practical storage and worktop space, suited to everyday use rather than design statement.

The bedroom is a comfortable double and is served by an en suite bathroom, while a separate WC off the entrance hall adds a level of practicality that tenants value. The building itself is well maintained, with communal gardens for residents and a general sense of order that supports long term rental appeal.

The property is well connected for transport and local amenities, making it an easy option for tenants commuting into central London. It can be sold with tenants in situ, offering immediate income for an incoming buyer.

Guide price £250,000
