*****A TRULY UNIQUE AND EXTREMELY INTERESTING DETACHED FAMILY HOME, OCCUPYING A PLOT OF ONE THIRD OF AN ACRE AND WITH POTENTIAL FOR FURTHER DEVELOPMENT*****

Situated within a non estate location, along the Bedford Road in the ever popular village of Moggerhanger, this deceptively large property looks unassuming from the road, but once over the threshold, there's a surprising amount of accommodation on offer across two floors and all within a generous plot of 0.33 of an acre!! Now, there is some updating and modernising required throughout and some re-modelling to reconfigure the layout to a more contemporary style, but the sheer size of the house and the grounds it sits on offer a tremendous opportunity for the right buyer!!

In addition, we believe there may also be the potential to create an additional building plot at the end of the garden, further adding to the development potential of this glorious home.

Viewing is essential to fully understand this charming home and the potential it has to offer!!
