

Latchford

Location

Victoria Park is an open space beside the Mersey, with a modern sports stadium and a skateboard park. It contains a large Georgian manor house, previously the Old Warps maternity hospital, subsequently converted into flats. Nearby is a narrow Victorian suspension bridge, Howley Bridge, which provides pedestrian access between Howley and Latchford.

Victoria Park is on the site of the Old Warps Estate. To mark the Diamond Jubilee of Queen Victoria the park was named "Victoria Park". The Georgian manor house "Old Warps" still stands and has been converted to a restaurant.
