## Location

Grappenhall Heys is a particularly attractive suburb nestled south of Warrington. The area boasts a picturesque and historic walled garden which once formed part of an estate built in 1830. The garden is now a community hub, home to a café, family attractions and a selection of regular events. The area itself is surrounded by scenic parkland and an abundance of public footpaths, providing ideal routes for walking and cycling. Grappenhall Heys also boasts a highly regarded primary school which has again been recently assessed by 'OFSTED as OUTSTANDING'. The suburb is also close to Stockton Heath, where there's a great selection of independent shops, bars, cafés and restaurants. Residents also benefit from excellent transport connections which are within easy reach of the M6 and M56.
