Location

Grappenhall is a semi-rural village in Warrington Cheshire, within commuting distance to the Lymm junctions of the M6 & M56 motorways. Grappenhall borders the villages of Thelwall and Stockton Heath of which both have a selection of shops. The village is also sited between the 'Ship Canal' and the 'Bridgewater Canal' including attractive parkland, canals, streams and the 'Trans Pennine Trail' which all provide scenic walking, cycling and running routes.

Along with the church, the centre of the village contains two pubs, the Parr Arms and the Ram's Head, and St Wilfrid's Primary School. Bradshaw Community Primary School is located north of the village centre both of which are assessed favourably.
