Beverley House was built in the late 19th century and served as the family home for the general manager of the Rowntree's factory. Over the years, it also housed the offices for the Joseph Rowntree Trust and the Local Government Ombudsman. It is the centrepiece of the majestic Beverley Court development.

Beverley Court is an exciting new residential development of a well-known York building located on Shipton Road. Just one mile from the centre of York and overlooking Homestead Park, Beverley Court offers a stunning location for modern living.

The development is an exemplary project, blending the fully modernised grand Victorian villa with the fabulous bespoke new build homes.
