How Does Shared Ownership Work

Shared Ownership allows you to part buy and part rent a property from a housing association. In this particular instance you can buy as little as a 35% share and rent the remaining 65% from Together Housing. The greater the share you own the lower amount of rent is payable as illustrated below:

35% Ownership = £85,750 plus Monthly Rent = £363.62

The information below shows further examples for the Share, Purchase Price & Monthly Rent

40% - £98,000 - £335.65

50% - £122,500 - £279.71

60% - £147,000 - £223.77

70% - £171,500 - £167.83

80% - £196,000 - £111.88

90% - £220,500 - £55.94

Subject to affordability and Together Housings approval there could be the option to purchase 100% share of the property which at this point the freehold will transfer to you.

Please note that there is a additional £17.63 per month for Buildings Insurance, Estate Charge and Management Fees.
