

Courneys, Selby
£180,000

An opportunity to acquire a bungalow in need of modernisation, occupying a good-sized plot and located within a popular residential area.

The accommodation is entered through a side door into the kitchen, which currently has a range of wall and base units with a stainless steel sink and drainer, along with plumbing in place for laundry facilities.

An internal door from the kitchen leads into the lounge, a well-proportioned room with a double-glazed window to the front elevation and space for suitable lounge furniture. There is a stone-built fireplace with matching stone features to either side.

To the rear of the property are two double bedrooms, each benefiting from a double-glazed window overlooking the garden and a central heating radiator.

The accommodation is completed by the house bathroom, currently fitted with a panelled bath with shower attachment over, pedestal hand wash basin, and low flush WC. The walls are tiled, and there is a frosted double-glazed window to the side.

Externally, the property is set back from the road, occupying a prominent position on Courtneys, a well-known and popular residential area within the town. To the front is a flagged driveway providing off-street parking for several vehicles, leading alongside the property to a detached single garage. There is also a front garden, mainly laid to lawn with planted borders.

To the rear, there is a generous garden which is long and narrows towards the end. It is mainly laid to lawn and enclosed by established conifers to one side and a fenced boundary to the other.
