A lovely three bedroom property on the new Buckton Fields development on the edge of Kingsthorpe. Built by Messrs Bloor Homes, the Byron design is a three bedroom semi-detached home with parking to the side for two cars.

The ground floor consists of a stylish open plan kitchen / dining area with a hidden utility area and double patio doors to the rear garden. The contemporary fitted Symphony kitchen offers an abundance of clever storage facilities, conveniently tucked away within sleek units. Leading directly off the kitchen onto the lounge you will feel an immediate feeling of light and space, with large window allowing light to come flooding in. It really is a lovely space to relax and unwind. The modern cloakroom features Roca Sanitary ware and splash back tiles which completes the ground floor.

Three bedrooms can be found on the first floor, the master bedroom benefiting from a private en-suite shower room.
