A THREE/FOUR-bedroom semi-detached home set in a desirable position overlooking a park, this property offers generous, flexible living and the added advantage of NO ONWARD CHAIN. The ground floor provides a spacious lounge/diner and a fitted kitchen/breakfast room, together with a further reception room that lends itself perfectly to a family room, home office or even a fourth bedroom if required. An enclosed rear garden completes the outdoor space, while off-road parking sits to the front.

Upstairs, three well-proportioned bedrooms are served by two bathrooms, one of which has been recently refitted. The home benefits from double glazing and gas central heating, creating a comfortable and practical environment throughout.

Staverton remains one of Northamptonshire's most sought-after villages, positioned just over a mile from the market town of Daventry. The village offers a welcoming community feel with a church, public house, primary school, garage and garden centre, along with the renowned Staverton Park Golf and Leisure Complex close by.

Excellent road links are easily reached via the A45, A361 and M1 Junction 16, while rail services to Birmingham and London Euston are available from Long Buckby station, approximately 7.5 miles away. A well-connected village setting paired with versatile accommodation makes this an appealing opportunity for a wide range of buyers.
