Built by Miller Homes in 2019 as part of the second phase of this popular School Aycliffe development, this beautifully presented four-bedroom detached ‘Fenwick’ design has been thoughtfully enhanced by the current owners to create an impressive, spacious family home.

A particularly lovely feature of the property is the sense of space on arrival, with a generous entrance hall and spacious first-floor landing giving the home a bright and welcoming feel.

The ground floor accommodation has been cleverly altered to maximise the living space. Part of the original garage has been incorporated into the house to create a larger dining area, while the front section of the garage has been retained as useful storage and is still accessed via the original up-and-over door.

The heart of the home is undoubtedly the superb open-plan kitchen, lounge and dining area, measuring approximately 9 metres in length. The kitchen is finished to a high specification with a range of integrated appliances and a freestanding central island, while luxury vinyl flooring flows through the space. Bi-folding doors open directly onto the rear garden, making this a fantastic room for both everyday family life and entertaining.

There is also a separate utility room and ground-floor WC, while the main lounge provides a more formal and relaxing living space, enhanced by a beautiful bay window and feature wall.

To the first floor are four bedrooms, with the principal bedroom benefiting from its own en-suite shower room. A further bedroom also enjoys en-suite facilities, alongside a well-appointed family bathroom.

Externally, the property continues to impress. To the front is a double-width block-paved driveway, lawn and fencing, providing an attractive approach and ample off-road parking.

The westerly-facing rear garden is enclosed by attractive brick walling and has been beautifully landscaped to provide a well-established outdoor space. There is composite decking, raised beds and mature planting and borders, together with a timber lean-to, external power outlets and an outside water tap.

Finished to a high standard with numerous upgrades throughout, this is a home that offers considerably more than the standard specification and layout. With approximately 1,574 sq. ft. of internal accommodation, the remainder of the NHBC warranty and the additional benefit of no onward chain, early viewing is highly recommended.
