Harper & Co are delighted to offer this impressive four-bedroom detached family home, occupying a generous corner plot within one of Hartburn's most sought-after residential locations.

Extending to approximately 2,506 sq ft, the property has undergone an extensive refurbishment and now provides beautifully finished, spacious accommodation designed around modern family life and entertaining.

From the moment you enter, the scale and quality of the home are immediately apparent.

The welcoming entrance hallway leads into a beautifully proportioned front sitting room, where a bay window, feature fireplace, bespoke fitted bookcase and window seat create an attractive additional reception space.

The principal lounge provides an impressive yet comfortable family living area, centred around a feature log-burning stove. French doors open directly onto the garden, while an adjoining bespoke bar area creates a fantastic space for entertaining family and friends.

At the heart of the home is the superb open-plan kitchen, dining and family room.

The recently refurbished Shaker-style kitchen provides an extensive range of cabinetry, timber work surfaces, integrated appliances and generous preparation and storage space.

The kitchen flows naturally into a substantial dining area with French doors opening onto the garden, while a separate family seating area makes this a genuine everyday living space rather than simply a kitchen.

A separate utility room and contemporary ground-floor WC complete the ground-floor accommodation.

To the first floor are four generously proportioned bedrooms, including an impressive principal bedroom with its own beautifully appointed en-suite shower room.

The remaining bedrooms are served by a stylish family bathroom featuring both a separate bath and walk-in shower.

Externally, the property occupies a particularly generous corner plot with attractive, low-maintenance gardens providing excellent space for relaxing, entertaining and family life.

The garden enjoys a pleasant open aspect, while French doors from both the lounge and dining area create an excellent connection between the indoor and outdoor living spaces.

To the front, a substantial driveway provides off-road parking for multiple vehicles and leads to the larger-than-average garage, providing excellent secure parking, storage or workshop space.

Further storage is available within the main loft, which is boarded and accessed via a pull-down ladder.

Combining approximately 2,506 sq ft of accommodation, an extensive refurbishment, excellent entertaining space and a desirable Hartburn position, this is a home that needs to be viewed to fully appreciate the scale and quality of accommodation on offer.

Viewing is strongly recommended.
