Llys Gain – A Secluded Traditional Welsh Cottage.
Looking for a quaint traditional stone cottage tucked away in a wonderfully secluded and unspoilt part of North Wales? Llys Gain could be the ideal opportunity.
Nestling amongst the rolling countryside of southern Denbighshire, this delightful two-bedroom cottage occupies a wonderfully private and peaceful position, quite literally off the beaten track.

Dating from the early 18th Century it affords entrance hall, living/kitchen, 2 bedrooms 1 Bathroom.

Adjoining stone barn with potential for conversion.

Stone out-building & gardens - about 0.25 acre.

The cottage is believed to date from the 18th century and has remained in the same ownership since the 1960s, retaining much of the charm and character associated with its age. At present, Llys Gain is approached on foot via approximately 500 yards of a partially overgrown green lane, adding considerably to its sense of seclusion and adventure. The lane has the potential to be upgraded and restored to provide vehicular access.

The property benefits from mains electricity and water, together with septic tank drainage, and provides accommodation comprising an entrance hall, quaint living kitchen, two bedrooms and bathroom.

Of particular interest is the substantial adjoining barn, which offers considerable scope for conversion to provide additional living accommodation, subject to the necessary planning and building regulations.

There is also a separate stone outbuilding, currently used for general storage, which could equally lend itself to conversion as a home studio, office or additional accommodation, again subject to the appropriate consents.

The cottage and outbuildings are complemented by an enclosed garden extending to approximately 0.25 acre. From the garden, the property enjoys far-reaching south-westerly views across the surrounding countryside.

For those seeking something genuinely different — a characterful historic cottage, considerable potential for enlargement and improvement, and a setting offering exceptional peace, privacy and rural charm — Llys Gain represents a rare opportunity to create a very special country home in one of North Wales' quieter corners.
