*** Stunning Newly Built Townhouse Within Chester's Historic City Walls ***

Nestled in the heart of Chester, within the prestigious city walls, this exceptional newly built townhouse offers contemporary living finished to the very highest specification. Combining modern luxury with timeless design, the property provides beautifully arranged accommodation over three floors.

Upon entering, the reception hallway leads to a convenient downstairs WC and an impressive open-plan kitchen and dining area. The kitchen is fitted with a striking range of SieMatic cabinetry and integrated appliances, creating a sleek and highly functional space ideal for both everyday living and entertaining.

The first floor features a spacious living room with a large window overlooking Commonhall Street, filling the space with natural light. This level also includes a bedroom, perfect for guests or flexible use as a home office, and a well appointed bathroom complete with a freestanding bath and separate shower. Ascending to the second floor, the principal bedroom suite offers a peaceful retreat, featuring a dedicated dressing area and a luxurious en-suite bathroom. There are also two further good sized bedrooms.

Finished to an exceptional standard throughout, this property showcases attractive porcelain tiling, hardwood double glazed windows, and meticulous attention to detail in every fixture and finish. The townhouse also benefits from a private parking space, a rare advantage within the city walls.

This outstanding home seamlessly blends comfort, style, and convenience — a truly unique opportunity to enjoy modern living in one of Chester's most sought-after locations.

COMMONHALL STREET

The site was once located around the city's very first Town Hall or Common Hall built before 1250 which is where the street name Commonhall originates from.

LOCATION

Common Hall Street is located in the area behind Bridge Street and Watergate Street and enjoys direct pedestrian linkages to Watergate Street and Bridge Street including The Rows. The area is situated within the South-Western quadrant of the historic central core of the city and is included within the Chester City Conservation Area.

An exceptional opportunity to purchase a bespoke new build townhouse situated inside the ancient Roman Walls of Chester.

The famous rows offer a wide range of shopping facilities together with wine bars, restaurants, cafes and public houses while the River Dee offers a range of recreational facilities including pleasant walks across the meadows. The Roodee Racecourse boasts one of the cities main social events at the May meeting and other meetings at various times throughout the year. As well as the extensive shopping and leisure facilities in the city, which include health and fitness centres, a tennis club, golf clubs, museums and parks, there is easy access to the Chester southerly bypass to North Wales and M53 motorway. Chester's main station has regular train services and a two hour intercity service to London Euston. Both Liverpool and Manchester are within easy reach and served with international airports.
