The Hat Works Business Centre is a refurbished office complex, situated in the heart of Denton Town Centre, offering modern office and meeting space across 9 rooms. Located amongst a friendly business community, the building is family run, and currently occupied by several long standing clients, and offices in The Hat Works don't come along often.

With excellent local access, the Hat Works is ideally located for the M60 & M67 Motorways, along with access to the National railway network close by. 24 Hour access is available, via secure coded locks and full CCTV is in operation.

The offices are bright and airy, and contain many original features, as the building is listed. There is a communal kitchen and the communal areas are cleaned regularly. While on-site parking is not possible, there are several locations close by with parking available.
