Rightmove Viewing Procedure

1. Send an email enquiry through Rightmove and fill in the preliminary application form with your details
2. Please be as honest as possible with your information. For example, if you believe that you have a bad credit rating, let us know now - it will only show up on your credit check if you don't!
3. We will discuss your application with the landlord. If they are happy, we will book a physical viewing at the property
4. After the viewing you will provide your feedback on the automatic feedback form. If the landlord selects your application, you will pay a 1 week's rent holding deposit and proceed to the referencing
5. Once the references are complete and acceptable, you will book your move in date. The contract will be sent out the week before
6. You will need to pay your first months rent and deposit a few days before your move in date (minus the 1 week's rent holding deposit you already paid)
7. You will need to bring your original passport with you on the day you collect the keys for the physical Right to Rent checks
