Hinckley Road

Western Park, Leicester, LE3 0WA

Occupying a sought-after position in the ever-popular Western Park, this individually designed detached bungalow offers an exceptional blend of contemporary open-plan living and versatile accommodation.

From the moment you step inside, the entrance hall sets the tone for the quality and thoughtful design found throughout. The heart of the home is undoubtedly the impressive open-plan living space, where the kitchen, dining and lounge areas come together to create a wonderful environment for both everyday family life and entertaining. The well designed kitchen offers ample storage and workspace, while the spacious seating and dining areas are flooded with natural light thanks to the large windows and doors that open directly onto the rear garden. Underfloor heating and stylish wood flooring enhance both the comfort and contemporary feel of this outstanding space.

Complementing the main living area is a generously sized utility room, along with a separate study for those working from home, a quiet reading room or even a hobby space.

The accommodation has been cleverly arranged over two floors. On the ground floor are two spacious double bedrooms, both enjoying excellent proportions and attractive bay windows. Each benefits from access to its own bathroom facilities.

Occupying the first floor is an impressive bedroom suite, creating a private retreat away from the rest of the home. Enjoying views over the rear garden through floor-to-ceiling windows, this peaceful space also benefits from its own en-suite.

Outside, the property continues to impress. A generous frontage with lawned garden and off-road parking for several vehicles which leads to a larger-than-average garage.

To the rear, the enclosed garden features a well-maintained lawn and a variety of mature plants, shrubs and trees.

Combining individual design, spacious accommodation and a highly desirable location, this is a home that should be viewed without delay to avoid missing out
