Spacious Three-Bedroom Family Home with Larger Than Average Garden.

Offered for sale in good condition, this spacious three-bedroom mid-terraced house makes an excellent family home. The property benefits from uPVC double glazing and gas central heating via a modern boiler, together with the added benefit of solar panels, which we understand are leased.

To the front, there is a driveway providing off-road parking for two cars. Steps lead up to the entrance, where you are welcomed by a particularly spacious hallway.

The ground floor offers a comfortable lounge to the front, while across the rear of the property is a generous dining kitchen providing an excellent space for both everyday family life and entertaining. A door leads through to a rear lobby, which gives access to a useful WC and separate storage cupboard.

Upstairs, there are three well-proportioned bedrooms together with a shower room. The loft is accessed via a pull-down ladder and has been boarded, providing useful additional storage space.

Outside, the property benefits from a larger than average rear garden.

Overall, this is a well-presented and generously proportioned family home. An early viewing is highly recommended to fully appreciate what this property has to offer.
