Thurnview Road

Evington, LE5 6HJ

Character Family Home on One of Evington's Most Desirable Roads.

Offered to the market with no onward chain, this substantial four-bedroom extended family home occupies a generous plot on Thurnview Road, one of Evington's most sought-after residential addresses. Combining original character with spacious, versatile accommodation and exciting future potential, this is a rare opportunity to purchase a home in a prime location, within the catchment area for highly regarded Evington schools.

Set back from the road, the property impresses with an attractive front garden and wide driveway, providing off-road parking for several vehicles, in addition to a single garage.

An entrance porch leads into a welcoming reception hall, where original oak flooring immediately reflects the home's character and quality. The hall also benefits from a practical walk-in coat room and a convenient ground-floor cloakroom.

The bay-fronted sitting room offers an elegant yet comfortable space to relax, featuring a cosy fireplace with gas fire. To the rear, the extended family and dining room links to the kitchen and provides an excellent space for everyday family life and entertaining, whilst enjoying pleasant views over the beautifully planted rear garden.

The spacious kitchen/breakfast room blends original floor-to-ceiling cabinetry with contemporary fitted units and integrated appliances, creating a practical and stylish heart of the home. Sliding doors open into the conservatory, offering an additional reception area with direct access to the garden. A separate utility room, covered side passage with WC and access to the garage, further enhance the home's practicality.

Upstairs, a beautiful original stained-glass window provides an eye-catching feature on the half landing. The first floor offers four bedrooms, including three doubles. The fourth bedroom would make an ideal nursery, home office, dressing room or study. A spacious shower room completes the first-floor accommodation.

Outside, the rear garden is a particular highlight. Beautifully planted with colourful borders, a lawn, greenhouse and garden shed, it offers a private and peaceful setting that can be enjoyed throughout the seasons.

The generous plot also presents excellent potential for further extension or redevelopment, subject to the necessary planning permissions, making this an outstanding long-term family home with scope to add further value.

Homes on Thurnview Road are rarely available and consistently attract strong demand thanks to their generous plots, excellent school catchment, village amenities and established surroundings. Early viewing is highly recommended.
