Readings Property Group are pleased to bring to market the opportunity to buy or lease a site which consists of a detached period building dating from 1872 and which offers a separate self-contained rear annexe, available either individually or together. The site offers extensive parking, and provides a mix of open-plan and private offices, meeting facilities, kitchen and WC amenities, retained Victorian features, modern finishes, and useful loft storage. The rear annexe has secure fob access and offers predominantly open-plan office space with storage, its own kitchen and WC facilities, and excellent natural light throughout.

Location

The Old Rectory occupies a prominent position on Leicester Road in central Narborough, around six miles south-west of Leicester city centre. The property is close to local amenities such as medical clinics, nurseries and Narborough village centre, while Narborough Railway Station is just 0.3 miles away. It also benefits from excellent road links, with Junction 21 of the M1/M69 approximately 2.5 miles to the north.

Description

The site comprises an impressive detached period building to the front, originally dating from 1872, together with a separate self-contained annexe positioned to the rear. Both sites are available separately or as one.

Access is provided via a vehicular entrance from Leicester Road, leading to a substantial circular driveway that surrounds the main building. This arrangement offers convenient ingress and egress, together with extensive on-site parking.

Accessed via an arched entrance, internally a central hallway showcases a number of retained Victorian features. The ground floor has a combination of open-plan and private office accommodation arranged on either side along with a modern fitted kitchen, a boardroom, and male and female WC facilities.

A central period staircase provides access to the first floor, which offers a further mix of open-plan and individual offices, together with additional WC facilities. A secondary staircase leads to a boarded loft space with full standing height to the apex, benefiting from natural light via a rear-facing window and providing useful storage accommodation.

The office accommodation throughout the main building is presented to a modern standard and includes fitted carpeting, comfort cooling, suspended ceilings with inset lighting, and partial wall-mounted heating, complemented by plastered and painted wall finishes. The property is also fitted with an alarm system.

The rear annexe is fully self-contained, accessed via fob-secured doors and arranged predominantly as open-plan office space with additional stores. It includes its own kitchen and WC and enjoys good levels of natural light throughout.
