PLOT 79 - An Impressive Five-Bedroom Family Home Overlooking Green Open Space

This impressive five-bedroom home offers generous and versatile living space, thoughtfully designed for modern family life and perfectly positioned opposite attractive green open space.

The ground floor centres around a spacious open-plan kitchen, complete with a separate utility room and French doors opening directly onto the garden. A generous lounge features a second set of French doors, creating a bright and welcoming space with easy access to the outdoors. A separate dining room provides the perfect setting for family meals and entertaining, while a dedicated study offers an ideal space for working from home.

Upstairs, there are four spacious double bedrooms and an additional single bedroom. Two of the double bedrooms benefit from their own private en suites, while a well-appointed family bathroom completes the accommodation.

Outside, the home benefits from a double garage and parking for four cars. With only two homes of this style available, this is a fantastic opportunity to secure something truly special and personalise it to your own taste.

Designed with energy efficiency in mind, the home features an A/B EPC rating, air source heat pump, argon-filled double glazing, highly efficient insulation, improved ventilation and underfloor heating. An electric car charging point provides further convenience for modern living.

Combining generous accommodation, energy-saving technology and an enviable position opposite green open space, this exceptional home is perfectly suited to contemporary family life.
