### Interior

This delightful home has all the character features of a Victorian property with high ceilings, picture rails, painted floorboards, bay windows and a bright and spacious interior which is beautifully decorated throughout

### Ground Floor:

The long hallway leads directly along to the kitchen as well as off to a utility/shower room and a separate sitting room. This charming room has a bay window, a period style feature fireplace and gives access, through an office area, to the large kitchen/dining/family room. This generously sized room, with tiled flooring, has been improved and modernised but has still kept a charm and cosiness about it. Along from the exposed brick wall is a fabulous log burner and further on tri-fold doors open to a decked balcony. There is a wealth of white wall and base units, giving plenty of storage space as well as an integrated dishwasher, all finished with a thick oak work surface. There is space for a tall fridge freezer as well as a 5 ring gas range cooker. This room is bright and airy due to the high ceiling and the array of sloping windows with anthracite grey frames.

The utility/shower room is a practical and convenient space with a large beautifully tiled walk in shower, basin and wc along with a bespoke laundry arrangement. There are 3 spaces for two washing machines and a tumble dryer, a pull out shelf between the upper and lower appliances and a useful storage cupboard.

### First Floor:

This level has three bedrooms, a family bathroom and access to the loft within the hallway.

The single rear bedroom over looks the garden as does the second double bedroom with its built in wardrobes.

The principal double bedroom has built in wardrobes and a bay window from which there are sea views. The final room on this floor is a half tiled bathroom with shower over the bath, basin and wc and large built in mirror.

### Exterior

This handsome property has pretty fascias and block paved off road parking for two vehicles, with a side entrance gate. Leading from the rear of the property is a raised deck area that has a small flight of steps down to the garden. The rear garden is beautifully presented with planters and a tiled patio area, ideal for resting and enjoying the quiet outside space. There is a easily maintained area of faux lawn and a useful garden store/shed.

### Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.
