Guide Price

Interior

A bright and airy home with generous sized rooms, thoughtfully designed and extended and in fantastic condition. This neutrally and stylishly decorated home is perfect for modern day living.

Ground Floor:

The long hallway stretches ahead to the kitchen with understairs cupboards and shelving, giving plenty of storage options. The long sitting/dining room can be accessed from two doorways and has a double aspect, with a rear glazed door to the garden and a bay window at the front, which keeps this relaxing space bright and light.

The kitchen is very well appointed with its cream 'Shaker' style wall and base units that have light wooden worksurfaces flowing between. The integrated appliances include a water filter, dishwasher, Bosch double oven and gas four zone hob and a free standing tall fridge/freezer. The wall and floors are tiled in light stone and compliment the units beautifully.

Following on into the sun room you pass a dining area and a modern cloakroom. There is a pocket door that slides open to the utility room with space, plumbing and extraction for a washing machine and tumble drier and additional storage space.

The sun room/family room is a delightful area with its wooden flooring, lantern window and tri-fold doors that open to the garden and allows the daylight to flood in. A modern wood burner has a contrasting grey and white stone tiled wall behind it and is a great feature in this sociable room, great for entertaining or family times.

First Floor:

On this level are three double bedrooms, a family bathroom and access to the loft room from the long hallway with its colourful ceiling window.

There are two double bedrooms overlooking the rear garden, the large principal bedroom has a built in storage cupboard and an ensuite shower room that contains a fully tiled shower cubicle. The family bathroom is half tiled and includes a bath with overhead shower, basin and wc.

Loft Room:

Accessed by a loft ladder, this room has four under eaves access points to open storage areas that are partially boarded, a radiator, electrical sockets and a Velux window. This is a versatile space, either for additional storage or as a play/games room or additional 'hidden away' snug.

Exterior

A block paved driveway, with space for two vehicles, is at the front of the property. Easy to maintain and with a side entrance gate to the rear garden. This long and very well maintained garden has been thoughtfully landscaped for a variety of uses and includes outside electric points at either end of this quiet and relaxing space.

The beautifully designed patio area, with light grey porcelain tiled flooring, is over two levels and makes the most of the sunshine in this south east facing garden. Following the path, that is to one side, you pass a large lawn area onwards to a private and secluded part of the garden beyond the two garden stores. Another grassed area leads to a large hard stand, perfect for a garden room or further out buildings (STPP).

Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.

Within the High Street there are two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks. The chain ferry links Cowes to East Cowes where you can find the Red Funnel car and passenger ferry to the mainland.
