RENOVATION PROJECT IN POPULAR LOCATION

A good size three-storey period terrace home offering a great opportunity for EXTENSIVE RENOVATION.

Retaining some original character—from high ceilings to exposed fireplaces—the property provides generous accommodation, flexible spaces, and superb views across the River Medina. With thoughtful restoration, this house could be transformed into a stylish and welcoming residence.

Interior

Ground Floor:

A traditional hallway has a high cupboard for convenient storage and an understairs doorway that leads down to the lower ground floor. The large sitting room has a recessed feature fireplace within the chimney breast (work required to ceiling). At the rear of the house is a bright and light dining room with bay window and a lovely brick feature fireplace that contains a log burner, leading off this well proportioned room is a 'U' shaped kitchen with a good range of wall and base units and space for a free standing cooker. Both these rear rooms have fantastic views across the River Medina.

First Floor:

Two good size double bedrooms and two further smaller rooms, one could be an study/office and the other is a single bedroom or it could possibly be transformed into a shower room.

Lower Ground Floor:

The stairs lead down to a large utility area with space and plumbing for a washing machine, dishwasher and tumble dryer. As well as giving access to the rear garden, this area leads to a large bathroom with corner bath, separate shower cubicle, basin and wc (ALL NEED REPLACING/UPGRADING). The final space on this level is a versatile basement that could be a large storage room or transform it into another reception/snug, a games room/den or further bedroom (with restricted head height).

Exterior

A short flight of brick steps reach the entrance door with a stained glass panel above stating the name of the property, 'ITCHEN'.

The rear garden is of a good size and is currently over grown.

Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.

Within the High Street there are two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks. The chain ferry links Cowes to East Cowes where you can find the Red Funnel car and passenger ferry to the mainland.
