# Asking Price £300,000

## The Property

Stunning three-bedroom terraced family home in the popular market town of Mildenhall, extensively refurbished throughout to a high standard inside and out.

Arranged over three floors, the property offers spacious and versatile accommodation ideal for modern family living. The ground floor features an entrance porch, a welcoming lounge with real wood flooring and a recessed multi-fuel burner, and a superb kitchen/dining room fitted with a high-specification range of units and integrated appliances, including fridge/freezer, dishwasher, induction five-ring hob, combination microwave oven and single oven. The kitchen also features a butler-style sink positioned to the rear aspect. A useful utility room provides further storage, an inset sink and access to the rear garden, alongside a cloakroom/WC.

The first floor offers two well-proportioned bedrooms, both with bespoke fitted wardrobes, and a stylish family bathroom with bath, vanity basin, WC and separate corner shower. The second floor has been converted to create an impressive main bedroom with fitted wardrobes, dormer window and en-suite shower room.

Further benefits include UPVC double glazing, electric dry heating, a full re-wire and re-plumb completed during the refurbishment, renewed roof timbers and tiles, updated kitchen and bathrooms, quality flooring and décor throughout, a mains-fitted water softener, plus CAT 5 cabling hard-wired to all bedrooms, the lounge and rear garden shed.

Outside, there is driveway parking to the front and a generous rear garden mainly laid to lawn. A substantial insulated shed with power, lighting, water supply and hard-wired internet offers excellent potential for storage, a workshop or home office.

The property is ideally located within walking distance of The Hub, Mildenhall town centre, Douglas Park and the River Lark.

Freehold. Please note drainage is via a cesspit and there is a right of way through a neighbouring garden.

Please be aware that images of the property may have been digitally enhanced, edited, or staged using artificial intelligence, and may not reflect the current presentation or furnishings.
