The Property

A substantial four-bedroom detached family home, tucked away down a private road of only four properties, offering generous living accommodation, a double garage, excellent outside space and impressive long-term potential conveniently located for local amenities, schools and transport links.

The ground floor provides a spacious and versatile layout. The kitchen diner features a quality Woollards kitchen, creating a fantastic hub of the home, with all appliances included. There is also a separate utility room, ground floor W/C and a dedicated study, ideal for those working from home. The dining room offers excellent flexibility and could equally work as a playroom, snug or additional family space. The living room is a welcoming reception area, complete with a feature brick fireplace and gas fire, while the conservatory benefits from a solid roof, making it a practical room to enjoy throughout the year.

Upstairs, the main bedroom is a superb dual-aspect room with fitted wardrobes, a dressing area and an en-suite shower room. Bedrooms two and three are both generous doubles with fitted wardrobes, while bedroom four is fitted with units and a desk, making it ideal as a bedroom, study or hobby room. A family bathroom completes the first-floor accommodation.

Externally, the property continues to impress with a great-sized rear garden which is not overlooked from behind, offering a wonderful space for families and outdoor entertaining. To the front, there is driveway parking leading to a double garage with electric doors. The garage offers excellent potential for conversion, subject to the necessary consents, and could lend itself perfectly to an annexe, studio, gym or workspace.

A further benefit is the solar panel system, which currently provides a feed-in tariff of approximately £3,000 per year, offering a valuable ongoing return. This is a rare opportunity to purchase a spacious and versatile family home in a desirable private setting, a property with room to grow and enjoy for many years to come.
