The Property

Located on the attractive Museum Street in a recently renovated early 19th century building, this well-presented first floor apartment offers spacious and bright living accommodation, making it an ideal home for professionals, couples or those looking for a town centre location.

The property features a generous living room with plenty of natural light from the large sash windows, with plenty of space for both relaxing and entertaining. The living room is open plan into the modern kitchen/ dining area, fitted with a range of contemporary units, integrated appliances and space for a dining table next to the original feature fireplace.

The bedrooms are two well-proportioned rooms, both benefiting from large sash windows. The second bedroom benefits from a built in wardrobe cupboard with ample space for a large double bed and further units. Bedroom one is particularly spacious with plenty of space for a large double bed, wardrobes and others units as well as benefitting from an en-suite shower room. The property is finished by a separate shower room.

The property also has access to a store room to the rear of the building, with the 3 apartments in 30 Museum Street having access. The store is a great size and is ideal for storing bikes, furniture or any other items which cannot fit in the apartment.

With its characterful exterior, spacious accommodation and excellent position within Ipswich town centre, the property offers a great combination of period charm and modern living. Conveniently located for local shops, transport links and the town centre, this is a fantastic opportunity for anyone looking for a well-located apartment ready to move straight into.
