The Property

Offering far more space than initially meets the eye, this extended four bedroom home combines generous internal accommodation with superb external space, including a substantial rear workshop and extensive driveway parking.

The ground floor has been enhanced by a rear extension, creating an additional family room that provides a brilliant second reception space and works equally well as a playroom, snug, home office or entertaining area. There is also a spacious living room, a well proportioned eat in kitchen, useful pantry and a ground-floor bathroom, giving the property a practical layout well suited to busy family life.

Upstairs, the property offers four bedrooms together with a family bathroom, providing excellent flexibility for growing families, guests or those needing dedicated work-from-home space.

Outside, one of the standout features is the very generous workshop to the rear, offering fantastic scope for storage, hobbies, business use or practical workspace. The property also benefits from a large driveway with parking for multiple vehicles, ideal for households with several cars, work vans or additional parking requirements.

With its combination of extended living space, four bedrooms, a substantial workshop and exceptional off-road parking, this is a versatile and spacious home in the popular village of Sturmer, within easy reach of Haverhill.
