The Property

An attractive and deceptively spacious four-bedroom detached family home, enjoying a desirable edge-of-village position with extensive gardens, generous parking and far-reaching countryside views.

Situated on the sought-after Mill Road in Ridgewell, this beautifully presented home has undergone significant extension and renovation in recent years, creating light, airy and well-proportioned accommodation arranged over two floors.

The ground floor features a spacious sitting room with bay window overlooking the countryside, a generous entrance hall and an impressive open-plan kitchen/family room. The kitchen is comprehensively fitted with a range of wall and base units beneath solid oak worktops, a central preparation and breakfast island, Fisher & Paykel cooking appliances, space for an American-style fridge/freezer and room for dining and family seating. Bi-fold doors open onto the extensive paved terrace, creating an excellent connection between the house and garden.

Two generous double bedrooms are also located on the ground floor, one benefiting from two built-in double wardrobes and French doors opening onto the garden. These bedrooms are served by a Jack & Jill shower room, while a useful utility room provides further appliance space and houses the boiler.

To the first floor are two further impressive double bedrooms, both featuring built-in wardrobes and cleverly designed window seats taking advantage of the attractive open countryside views. The stunning family bathroom is fitted with a freestanding roll-top bath, vanity unit, WC and heated towel rail, with a Velux window providing plenty of natural light. Eaves storage further enhances the practicality of this floor.
