The Development

A collection of 2-4 bedroom high-spec homes located in the sought after area of Trevemper. These homes are constructed using ICF; used to increase energy efficiency in brand new homes by using insulated concrete formwork (ICF). There are many other benefits of ICF construction including increased sound proofing; Increased thermal performance reducing your running costs; Structural integrity, even over traditional block work, reducing your ongoing maintenance costs; Green credentials include an air source heat pump.

Location

Nestled in the picturesque Trevemper area of Newquay, this property offers a perfect blend of coastal charm and countryside tranquility. Its location being just moments away from the famous Gannel Estuary and the vibrant heart of Newquay, boasting easy access to stunning beaches, scenic walking trails, and a variety of local amenities, including shops, cafes, and schools. With its ideal setting, this property is perfect for those seeking a peaceful lifestyle while remaining close to the dynamic coastal activities Newquay is renowned for.
