This impressive room is beautifully light thanks to a feature window and has been fitted with a stylish range of shaker-style units complemented by generous work surfaces. Modern appliances include an electric oven with hob and extractor, integrated dishwasher, and space for an American-style fridge freezer. A charming Duette Heritage Burner adds both character and practicality, serving as an additional cooking option while also heating the property's hot water. Conveniently positioned next to the kitchen is a utility room with direct access to the rear garden. This space provides plumbing for laundry appliances and houses the hot water Megaflo system. Adjoining the utility is a smartly presented shower room, complete with a double shower, wash basin, W/C, and heated towel rail.

The dining area, situated at the far end of the kitchen, offers ample room for entertaining and includes a relaxed snug space. Sliding doors open onto a stone-chipped terrace, perfectly suited to outdoor seating and al fresco dining. The main living room overlooks the front garden and is a generous, welcoming space. French doors lead directly outside, while solid oak flooring, a central log burner with wood surround, and room for family-sized furnishings create a homely yet elegant setting. Upstairs, natural light streams through a stairwell skylight. Three excellent double bedrooms all benefit from built-in wardrobes, with the master also providing loft access to a fully boarded storage space via fitted ladder. The family bathroom has been finished to a high standard and features a luxurious double jacuzzi bath, separate double shower with waterfall and power attachments, vanity sink with storage, and a low-level W/C.
