Location

Nansledan is a thoughtfully designed extension of the coastal town of Newquay, located on Cornwall's scenic north coast. Developed on Duchy land with direct input from King Charles, the former Duke of Cornwall, this vibrant community combines traditional charm with modern convenience. Nansledan features shops, bakeries, bars, and its own primary school and nursery, along with three parks, children's play areas, and a newly opened skate park, with more recreational areas planned in future phases. The soon-to-be-completed Market Street, just a five-minute walk from the property, will add a supermarket, food hall, and additional shops to the community. Approximately two miles away, Newquay itself offers an extensive range of shopping, schools, and a lively selection of bars, restaurants, and nightclubs. Newquay's historic working fishing harbor and stunning coastline are among the finest in Europe. The town is well-connected, with local bus and rail services, and Newquay Airport is just six miles from the property.
