The Property

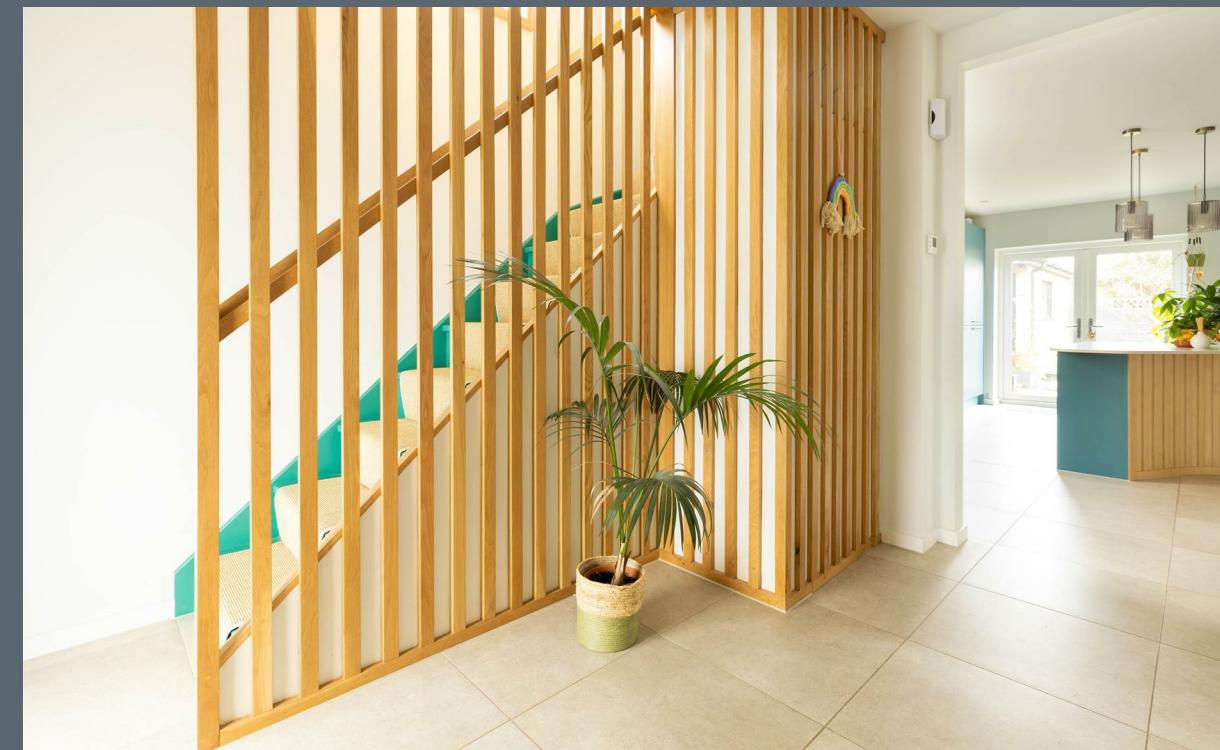

Just before entering the home, there's a convenient open external porch—perfect for storing wellies and other outdoor gear. Stepping into the entrance hallway, the extent of the renovation becomes immediately apparent. The space is naturally bright and welcoming, featuring a stunning floor-to-ceiling decorative oak balustrade staircase that cleverly incorporates hidden understairs storage. The tiled flooring flows seamlessly from the hallway into the open-plan living area and the downstairs cloakroom.

One of the most striking spaces in the home is the open-plan living area. Generously proportioned, this room is bathed in natural light thanks to double doors opening onto the garden and a large oak-framed sliding window that maximizes the south-facing aspect. An additional oak-framed window in the kitchen area further enhances the bright, airy feel. The kitchen itself is a true standout, boasting bold turquoise blue units, luxurious stone worktops, and integrated Samsung appliances. A bespoke island, designed to optimize floor space, serves as a practical centrepiece for entertaining while offering ample storage. Built-in seating with additional storage and a fitted dining area makes this space ideal for family living and social gatherings.

The separate lounge provides a cosy retreat. The warm engineered oak flooring contrasts beautifully with the tiled flooring throughout the rest of the ground floor, while a large bay window fills the room with natural light.

Upstairs, a large vertical oak-framed window floods the staircase and landing with natural light. The four bedrooms all feature engineered oak flooring, mirroring the lounge. The principal bedroom is well-sized, complete with an en-suite and a dressing area. The en-suite impresses with its stylish design, including black accent sanitaryware, a walk-in double shower with an overhead waterfall fixture, and a wall-mounted handheld showerhead. Along with the principal bedroom, bedroom three also enjoys views of the south-facing rear garden.

Bedrooms two and four are located at the front of the property. Bedroom two is a spacious double with a large bay window, while bedroom four is currently used as a home office but can easily function as a bedroom. The family bathroom mirrors the en-suite's style, featuring contrasting tiles and black-accented sanitaryware. It includes a bath with an overhead mains shower and a wall-mounted handheld showerhead.

Externally

The rear garden, facing south, is a fantastic space for outdoor entertaining, a decked sun terrace, accessible from the living area invites you into the garden. The landscaped lawn is bordered by established low-maintenance planting with a stepping stone path that leads to the bottom of the garden, where you'll find a greenhouse and vegetable patch, ideal for growing your own produce. Double doors from the garden provide access to the rear of the garage, offering ease of use. The garden is also equipped with a convenient external hot and cold shower, perfect for rinsing off after a day at the beach or gardening. Additionally, there's access to the annexe.

At the front of the property, a spacious driveway offers parking for a minimum of four cars. The driveway provides access to the single garage and to the rear garden.

Annexe

The annexe is a stylish extension of the main property, seamlessly blending modern design with functional living. The minimalist, handleless kitchen features built-in seating around the dining table. The open-plan living area cleverly separates the bedroom from the main space using a storage-oriented room divider. The en-suite shower room mirrors the elegant black accent sanitary ware found in the main house and includes a corner shower unit with a mains overhead shower and a handheld attachment.

This thoughtfully designed annexe offers both comfort and versatility. Being currently let out on a holiday let basis it offers new owners the option of additional income, but could just as easily be used for a family member or residential tenant.
