Immediately in front of the home is a paved patio with space for seating and a small dining set, from which you can enjoy the stunning views. The flower bed is packed with bushes and plants and a path around the left of the home goes to the rear garden. The triangular lawn on the right is bordered by flower beds including cypresses and Portuguese laurel trees. A path with decorative iron gate passes between the house and garage to the rear garden.

Enter the home through the half-glazed uPVC front door into the entrance porch.

With a gabled roof and tiled floor, this is the perfect space to kick off footwear after a hearty local walk. With tall windows on three sides, it's a bright entrance to the home. There are stained glass windows beside and above the glass-panelled door with brass handle which leads into the entrance hallway.

Entrance Hallway

The wide and welcoming hallway has oak-effect laminate flooring, a high ceiling with light fitting, radiator and space for a sideboard on the left. There is a solid pine staircase on the right and matching panelled doors lead directly into the sitting room and kitchen.
