The garden includes flower beds and space for seating from which to enjoy the views. A path with tree trunk stepping stones leads to the front door, which has a canopy porch over.

Enter the home through the part-glazed uPVC front door.

Entrance Hallway

With an attractive quarry-tiled floor, the hallway has a radiator, ceiling light fitting and space under the stairs for footwear and coats. There are stairs on the left, a part-glazed door into the kitchen diner at the end and, on the right, an open entrance into the sitting room.

Sitting Room

11'1" x 11'1" (3.4 x 3.4)

The triple window on the right has wonderful views across to the rolling Derbyshire Dales countryside. The room has engineered oak flooring, a ceiling light fitting and radiator. We love the brick chimney fireplace, with tiled hearth, which is the focal point of the room. There is a feature arched alcove on the left and this charming room has skirting boards.

Kitchen-Diner

14'1" x 11'1" (4.3 x 3.4)

This bright and airy room has white walls, subway-style tiled splashbacks, a high ceiling and large window looking out to the rear garden. There is a contemporary tiled floor and plenty of space for a 6-seater dining table and furniture on the left.

Over to the right, the long L-shaped worktop has a modern integral 1.5 sink and drainer with chrome mixer below the window. The cabinets below include an integrated Indesit dishwasher and space and plumbing for a washing machine. In the top-right corner cabinet is a Baxi boiler. Further around are a range of high and low level cabinets and an integral Lamona four-ring gas hob with oven below and brushed chrome extractor fan above. There is space at the far end for a fridge-freezer.

A part-glazed uPVC door leads out to the rear garden.

Stairs to first floor landing

Carpeted stairs with a banister on the right lead up to the first floor landing. The L-shaped landing has space for storage, a radiator, ceiling light fitting and loft hatch - the loft is fully boarded and has power points. Matching pine doors lead into the bathroom and three bedrooms.

Bathroom

8'2" x 4'11" (2.5 x 1.5)

Immediately on the left as you walk in is a modern vanity unit with a rectangular ceramic sink with chrome mixer tap and recessed ceiling spotlight above. Beyond is a bath with chrome taps, a pivoting glass screen, tiled surround and mains-fed shower above. The room also includes a ceramic WC with integral flush, frosted double glazed window, porcelain tiled floor, ceiling light fitting and part-tiled walls.

Bedroom One

11'1" x 8'10" (3.4 x 2.7)

This double bedroom at the rear of the home has views over the rear garden. The room is carpeted and has a radiator, ceiling light fitting and space for a desk/dressing table and additional furniture.

Bedroom Two

11'1" x 10'9" (3.4 x 3.3)

A great room to wake up in, thanks to the wonderful 180-degree views out of the window across to the beautiful verdant hills. This spacious double is carpeted and has a radiator, ceiling light fitting and space for a bed, wardrobes and bedroom furniture.

Bedroom Three
