Kitchen-Diner

15'7" x 12'7" (4.75 x 3.85)

This triple aspect room includes a wide east-facing window and a window looking southwards. At the far end, the west-facing window has incredible panoramic views across the valley. The room includes a high beamed ceiling, laminate flooring, three ceiling light fittings and a radiator.

The modern fitted kitchen has an L-shaped worktop and we love the heart-shaped handles on the cabinets. Beneath the east-facing window out to the front of the home is an integral contemporary black 1.5 sink and drainer with mixer tap. There is space and plumbing below for a washing machine and dishwasher. Further along, the integral Lamona four-ring induction hob has an electric oven below and extractor fan above.

The room has space for a 4-6 seater dining table, furniture and additional seating. An open staircase by the front door leads up to the first floor, whilst a door at the far end opens to reveal stairs down to the sitting room.

Sitting Room

17'0" x 11'9" (5.2 x 3.6)

With a half-glazed stable door and tall west-facing window, this room has magnificent views of the verdant hillsides immediately beyond the path outside. The room is carpeted and has a radiator, two ceiling light fittings, wall lights and an exposed stone wall. There is plenty of room for seating and furniture.

Stairs to first floor landing

Carpeted stairs with a handrail on the right and shelf on the left lead up to the first floor. At the landing, the tall west-facing window has the best views in the house! There is a ceiling light fitting and matching white panelled doors lead into the bathroom and bedroom.

Bathroom

6'0" x 6'0" (1.85 x 1.85)

An eye-catching art-deco pivoting glass screen is situated on the bath, which has a heritage-style chrome mixer tap with shower attachment and tiled surround. Set within the tiles are four recessed shelves, perfect for toiletries. In front, there is a pedestal ceramic sink with chrome mixer tap and ceramic WC with integral flush. The room also has a chrome heated towel rail, ceiling light fitting and patterned window glazing.

Bedroom

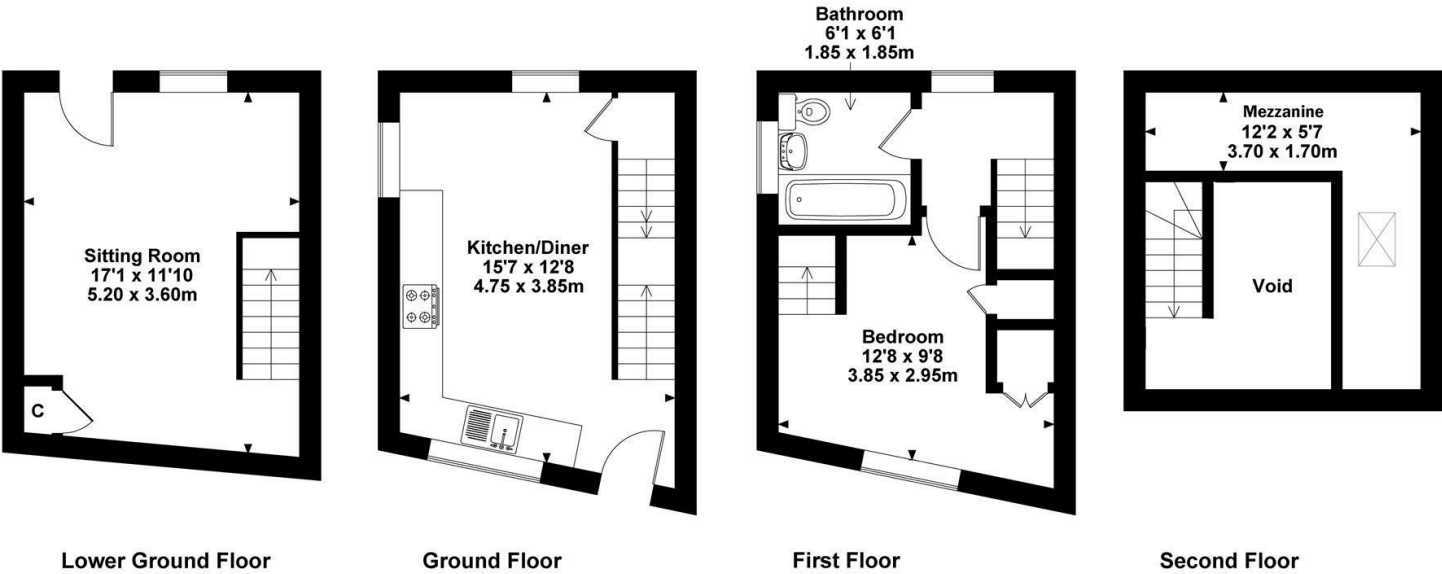

12'7" x 9'8" (3.85 x 2.95)

With a large mezzanine above, this L-shaped bedroom is carpeted and has a tall east-facing window. Two substantial full-height cupboards provide plenty of storage. The room has a radiator, ceiling light fitting, wall lights and ladder stairs up to the useful mezzanine. Beside these stairs is an exposed stone wall and up on the mezzanine, there is lots of space for open storage and a Velux window and ceiling beams overhead.
