Brentwood | Essex | CM13 1HT

****Initial offers invited between £550,000 - £600,000**** Situated on the popular Long Ridings development is this deceptively spacious extended five bedroom semi-detached house which is perfect for a large family and provides generational living accommodation. This area is highly popular with commuters and families alike, with its excellent access to Shenfield station being only 1.3 miles away, along with short drives to the A12 and M25, plus many excellent schooling options to choose from at all levels from nursery through to senior school, including the highly sought after St. Martins School.

Accommodation commences with an entrance porch leading into a bright and spacious 'L' shaped lounge/diner illuminated by a large window to the front elevation. From here, a separate study area provides the ideal space for those working from home and provides views of the well maintained rear garden. The good size kitchen has been comprehensively fitted with an good range of cream units that comprise base cupboards, drawers and matching wall cabinets. Also on this floor is bedroom five, a generously sized room featuring a built-in cupboard and an ensuite shower room fitted with a contemporary suite. From the first floor part galleried landing there is access to the loft storage space and four further well-proportioned bedrooms. Bedroom one has the added convenience of an ensuite shower room, while a stylish family bathroom serves the remaining bedrooms on this level.

The south-east facing rear garden begins with a spacious patio area, perfectly suited for outdoor dining and entertaining. The remainder of the garden has been attractively laid with low-maintenance astro turf, providing a neat and modern finish. To the front of the property is a bonded resin driveway providing off street parking for two vehicles and an electric charge point, whilst to the rear is an additional space to park.
