Cedarwood 32 Heronway Hutton Mount

Brentwood | Essex | CM13 2LG

This stylishly appointed home was built to a high specification, with fantastic symmetry, just five years ago, therefore falling within the 10 year new build guarantee, and with the added benefit of being set in one of Hutton Mounts premium turnings, with accommodation measuring approximately 4000sq ft.

The property is entered via secure electric gates to the large driveway. Accessed via a video entry system, the accommodation opens into an impressive reception hall with chevron-style flooring and a bespoke staircase. A contemporary glazed wine display cabinet is integrated beneath the stairs, adding a touch of luxury. To the front of the property is a generous playroom featuring bespoke built-in cabinetry. Further accommodation includes a large study, a coats cupboard and a concealed door providing access to the cloakroom. Across the entire back of the property is a superb open plan kitchen/dining/living area, with sliding doors overlooking and leading to the beautiful rear garden. This stunning space features a media wall with fireplace, a large island unit, high-end kitchen cabinetry, integrated Miele appliances, skylights that flood the room with natural light and a large utility room.

A striking dual-aspect galleried landing with two Velux windows fills the first floor with natural light. The principal bedroom benefits from air conditioning, a Juliet balcony overlooking the garden, a spacious fully tiled ensuite shower room with twin sinks, and an excellent fitted dressing area. Two further generous bedrooms each feature their own ensuite shower room and dressing room. A staircase with attractive glass balustrading leads to the upper floor. This level offers two additional bedrooms, one with air conditioning, both complemented by ensuite shower rooms and dressing areas.
