# Ramblers Lodge Brockley Grove Hutton

Brentwood | Essex | CM13 2JJ

Meacock & Jones are delighted to present this outstanding 6/7 bedroom, five-bathroom detached smart home, offering 5,676 sq ft of beautifully designed living space finished to an exceptional specification.

Recently renovated with input from a high-end West End interior and lighting designer, the property combines contemporary elegance with advanced technology, including Control4 integration, automated Lutron lighting and blinds, whole-home audio, underfloor heating, and air conditioning across all three levels.

At the heart of the home is a spectacular open-plan kitchen/dining/family room, fully equipped with Gaggenau and Miele appliances, multiple Bora induction hobs, and a substantial island. A second “chef’s kitchen” provides additional preparation space, making it ideal for entertaining.

The flexible layout offers multiple options for independent living, including potential for a substantial annex or separate upper-level accommodation—perfect for multi-generational families, guests, or live-in staff.

Externally, the property is accessed via electric gates with a large resin carriage driveway, EV charging, and excellent privacy. Ideally positioned on Brockley Grove, it is approximately a 7-minute walk to Shenfield Station and Broadway, with superb access to Brentwood and St Martin’s schools.
