## Rear Garden

The rear garden is a particularly attractive feature. As previously mentioned the rear garden has a south easterly elevation so is in sunshine through virtually the entire day. The plot is very generous and measures 0.273 acre. Across the rear of the property is a paved terrace that provides an excellent space for garden parties and summer barbecues. Steps descend to an extensive lawn area and the garden is screened on all three boundaries by mature tall laurel hedgerow. The garden has a maximum width of 121' along the rear boundary and a depth of 62'. To the far corner an arch within the laurel hedging opens to a concealed area fitted with a garden shed, which is to remain. Additional garden shed adjacent to the garage. A wrought iron gate leads from the garden terrace to the front garden.

## Front Garden

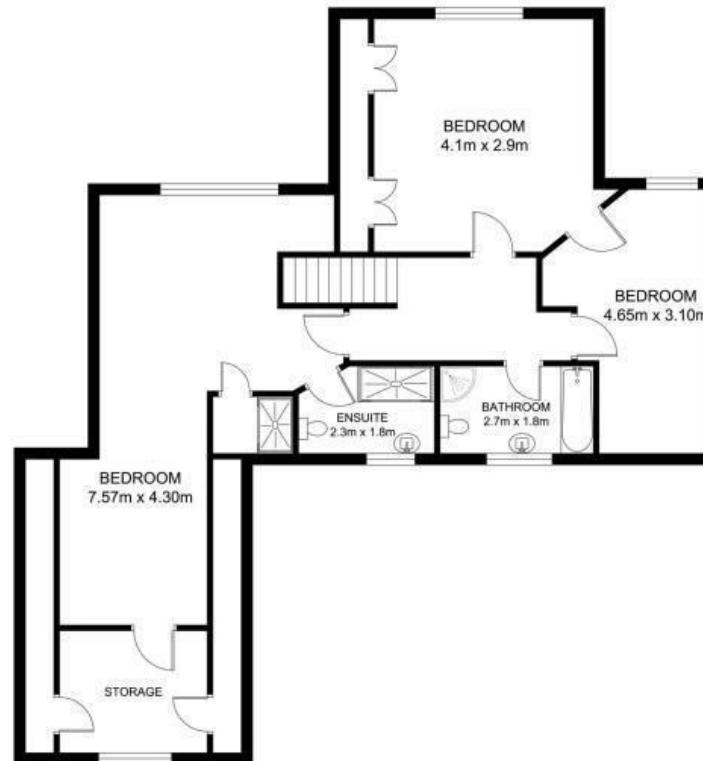

The property is set well back from the road and accessed by a deep shingle driveway that provides off street parking for numerous vehicles. The remainder of the garden has been laid to lawn with brick edging and as previously mentioned is screened by Red Robins and mature hedgerow, that provides privacy and seclusion from the road. Access to garage.

## Garage

The garage is accessed through obscure glazed sliding timber doors and has internal dimensions of 23'4 x 8'10. Additional double glazed door to the side and adjacent are timber doors that open to the rear garden sun terrace. Window fitted to rear elevation. The garage accommodates the fuse box and meters, Fitted with power and light.
