Ainsley Street, London, E2 0DL

Elms Estates are absolutely delighted to bring to the market For Sale this delightful and rarely available Three Bedroom Ground Floor Apartment with its own good sized mature rear Garden with a large decked area ideal for dining and barbequing. Situated on the ever-popular Ainsley Street located within the Heart of the East End with easy access to all of the Restaurants, Bars, Shops, Markets, Gyms, Parks, Galleries and Museums this Exciting Area has to offer, this is an opportunity not to be missed.

Internally, the property offers good sized living accommodation with a sleek fitted kitchen, that offers enough space for a dining area creating a pleasant communal space with direct access to the tranquil and surprisingly secluded rear garden. In addition to the dining area, you have a good-sized reception room with wooden flooring and bay window to the front with built in seating and retaining features such as dado and picture rails.

In addition to the above there is a very good-sized master bedroom with large fitted wardrobes with an additional double bedroom and a smaller third bedroom that accommodates a small double bed and wardrobe but would make for an ideal home office or child's bedroom. An additional plus rarely found in apartments is the gas fired Central Heating.

The property benefits hugely from having Bethnal Green Overground Station at one end of the road with Bethnal Green Tube Station (Central Line) around the corner with multiple bus routes into the City, West End and Beyond.

Ainsley Street is offered to the market on a Chain-Free Basis and an internal inspection is highly recommended. Please feel free to call in and speak to one of our Property Consultants for further information.
