Richardsons are delighted to welcome to the market this fabulous four bedroom detached home. The property has been extended and renovated to an exceptionally high standard by the current owners, with modern kitchen and bathroom fittings and tasteful interior design throughout.

The entrance of the property leads into a light and airy hallway with downstairs WC, a spacious family room to the front of the property and a fantastic open plan kitchen/diner with central island, lounge area, skylights and bifold doors leading onto a low maintenance garden. The property boasts a high end in ceiling sound system throughout the home and smart technology enabling lighting, blinds/curtains and TV to be controlled by the intelligent touch screens or by way of iPad, iPhone or android. The kitchen/diner also offers a high spec TV surround system.

To the first floor are four bedrooms, master with extended en-suite. The family bathroom is fully tiled and includes an attractive free standing bath with shower.

The integral garage is easily accessed from the kitchen providing plenty storage and plumbing for a washing machine.

The owner says "We have loved renovating and living in this house. The ground floor is a great open plan living space for a family and kitchen/diner is excellent for entertaining. The bifold doors open up to our back garden which is fantastic for indoor/outdoor living and is also a safe enclosed area for our children to play in."

Viewing is absolutely essential to appreciate the quality of accommodation on offer.
