The Property

A well-presented detached family home enjoying wonderful countryside views and a peaceful position on the edge of Chipping Norton.

The front door opens into a bright and spacious entrance hall with a cloakroom and WC. To one side is a generous study with dual windows looking out to open fields – an ideal space for working from home. On the opposite side, the kitchen and dining room enjoy a double aspect with views to the countryside at the front and the garden to the rear. The kitchen includes a double AEG oven, AEG gas hob, and space for a family dining table, with a door leading through to the utility room with sink, appliance space and garden access.

The living room is a bright and welcoming space featuring an electric fireplace and double glass doors leading to the enclosed veranda. With sliding glass doors opening out to the garden, the veranda provides a lovely spot to enjoy the outlook during the fair-weather months.

Upstairs are four well-proportioned bedrooms, all with built-in wardrobes and attractive views over either the garden or surrounding countryside. The principal bedroom benefits from an ensuite shower room, and there is also a family bathroom with bath and separate shower.

The rear garden is well arranged, with a patio area directly outside the back door leading to a stone path that runs through the centre of the lawn to a raised decking area at the far end – a pleasant spot for outdoor seating. The garden is framed by well-planted borders and includes access to the rear of the single garage, a side gate and a bin store. To the front, there is off-street parking, a pretty garden, and vehicle access to the garage.
