Lynns Hall Close, Great Waldingfield

Tucked away in a quiet position at the end of a popular cul-de-sac in the sought-after village of Great Waldingfield, this well-presented two-bedroom end of terrace home offers two parking spaces, spacious living accommodation, private outdoor space, and the added benefit of a versatile garden studio.

The property is entered via a porch leading into a bright and well-proportioned living room, featuring a front-facing window and stairs rising to the first floor. To the rear, a generously sized kitchen/diner is fitted with a range of matching wall and base units, integrated oven and hob, and space for appliances, with windows to the side and rear allowing for plenty of natural

light. A conservatory extends the living space further, providing a useful additional reception area with direct access to the garden.

Upstairs, the property offers two well-sized bedrooms, including a principal bedroom with built-in wardrobe, and a second bedroom overlooking the rear garden. The family bathroom is fitted with a three-piece suite comprising a bath with shower over, wash hand basin, and low-level WC.

Externally, the rear garden begins with a patio seating area and extends to lawn with planted borders, offering a private and well-maintained outdoor space. A particular highlight is the detached garden studio, fully equipped with

power and lighting, making it ideal as a home office, gym, or creative space. The property also benefits from wide side access, a storage shed, and two allocated parking spaces.

Further benefits include the installation of solar panels with battery storage (installed July 2023), providing improved energy efficiency.
