Situated within the popular Lark Grange development by Taylor Wimpey, this beautifully presented four bedroom detached family home is located within a no through road. Constructed approximately two years ago, this attractive 'Midford' design has been exceptionally well maintained and is presented in excellent condition throughout.

Upon entering the property, you are welcomed by a bright entrance hall which sets the tone for the rest of the home. Positioned to the front is a generous lounge featuring a large front facing window which fills the room with natural

light whilst providing ample space for furnishings.

Continuing through the hallway, there is a ground floor cloakroom before a glazed door opens into the impressive kitchen/diner. This stylish and sociable space is fitted with a range of modern wall and base units, generous worktop space and integrated appliances including a fridge/freezer and dishwasher, plus a built in oven and an induction hob. There is plenty of room for a dining table and even a sofa too if required, making it ideal for both family life and entertaining. French doors open onto the rear garden, whilst a separate utility room provides further storage and an integrated washing machine.

To the first floor, a spacious landing gives access to all four bedrooms. The principal bedroom is located to the front of the property and benefits from fitted wardrobes together with a modern en-suite shower room. Bedroom two overlooks the rear garden, as does bedroom three, whilst the fourth bedroom is positioned to the front and is currently utilised as a home office.

Externally, the enclosed rear garden is mainly laid to lawn with a patio area, shrubs and trees. There is also a detached garage, driveway parking for two to three vehicles plus an EV charging point.

In our opinion, this beautifully presented property simply must be viewed internally to fully appreciate!
