Central heating

About Us

Woodland Falls

The best of both worlds – coast and countryside, all on your doorstep.

Tucked away on Anglesey's north coast, Woodland Falls is an independent, family-owned holiday park run by the Bulmer family. Surrounded by tranquil woodland and just a short stroll from award-winning Lligwy Beach, it's a peaceful retreat to slow down and switch off.

A Bulmer Leisure Resort

Woodland Falls is part of the Bulmer family collection, best known for their cider-making heritage.

Run with the same family values, the park has been carefully developed to offer exceptional holiday homes, modern facilities and a welcoming community atmosphere.

Our Eco Focus

We're committed to protecting the island we call home. Woodland Falls was the first UK holiday park to introduce eco lodges with solar panels and heat pumps, helping owners reduce their carbon footprint and energy bills. Sustainability sits at the heart of everything we do.

Quality Homes, Built to Last

Facilities & Community

Life here comes with more than just a holiday home. Owners enjoy access to The Oaklands Bar & Lounge, a modern gym and aerobics studio, a children's play area and a year-round activity programme. From BBQs and social events to quiet evenings on the decking, Woodland Falls is a place to relax, connect and belong.

Lligwy Beach

Just a short woodland walk from Woodland Falls, Lligwy Beach has been named the best beach in the UK by The Sunday Times.
