Skyline Living with Two Balconies | 7th Floor | Canary Wharf Views | £400,000

Situated on the 7th floor of Celestial House, this well-proportioned two-bedroom, two-bathroom apartment offers a superb balance of space, light, and skyline views — all within easy reach of Canary Wharf.

Upon entering, you are welcomed by a generous L-shaped hallway, creating a natural sense of separation between living and sleeping areas — a layout many buyers appreciate for added privacy and flow.

The apartment then opens into a bright open-plan living and dining area, enhanced by a southwest-facing aspect that draws in natural light throughout the day. Step out onto one of two private balconies and take in far-reaching views towards Canary Wharf and the London skyline — particularly striking at sunset, and an ideal vantage point for watching fireworks across the city during the festive season.

The modern kitchen with central island integrates seamlessly into the living space, making it ideal for both everyday use and entertaining.

Both bedrooms are well-sized, with the principal bedroom benefiting from an en-suite, alongside a separate contemporary bathroom.
