Johnsons & Partners are pleased to be working in partnership with Elite Homes in the marketing and sale of this exceptional property.

Set in a peaceful, private and elevated position on the edge of the popular village of Burton Joyce, The Lodge House is a beautifully presented modern bungalow and detached barn and stables, enjoying approximately 5 acres of grounds, with wonderful far-reaching views over open countryside.

The substantial modern barn which has full planning permission (Application 2025/0670, granted 12 December 2025) for extension and conversion into a self-build dwelling / house. The barn already benefits from full water, electric, and drainage connections.

This spacious and light-filled contemporary home offers excellent indoor-outdoor living. Multiple bifold doors open directly from the living areas onto a private gravel courtyard garden and a truly stunning ornamental koi pond, complete with waterfall, timber bridge, and decking - creating a serene and impressive centrepiece to the property.

Inside, the accommodation is well-proportioned and versatile. The open-plan kitchen, dining, and living space forms the heart of the home, with a stylish kitchen island, electric oven, gas hob, and large windows that frame the countryside views. A multi-fuel stove adds warmth and character to the lounge area.

There are three generously sized bedrooms, each with its own en-suite, plus two further versatile rooms currently used as an office and craft room. The property benefits from underfloor heating throughout, served by an oil-fired external boiler, along with a pressure-fed hot water system.

Practical features include a fitted alarm system with external cameras, 3-phase electricity, and well-maintained services including a Klargester Biodisc treatment plant.

Outside, the grounds are a real highlight. The private courtyard provides a sheltered space for entertaining, while the spectacular koi pond adds a sense of tranquillity and luxury. Beyond the immediate gardens lie approximately 4.5 acres of level, well-fenced pasture and paddocks - ideal for equestrian use, family enjoyment, or future landscaping. This represents a fantastic opportunity to create additional accommodation, a guest annexe, or a separate income-producing property. The property forms part of a small, private gated community with established access rights, including a historic private route via Willow Wong (documented in the 1769 Enclosure Award).
