A Stylish First Floor Apartment with Character, Convenience and Views

Perfectly positioned just moments from Crowborough railway station, this elegant first floor apartment forms part of the beautifully converted Post Office House – a handsome 1930’s building that was thoughtfully reimagined in 2019 into four unique homes. With a private entrance, stylish interiors and sweeping views across local parkland, this apartment blends history with modern living in the most appealing way.

Step inside and you’re immediately struck by the inviting feel. A short flight of stairs leads to a light-filled open plan kitchen and reception space – a warm, welcoming heart of the home. The bespoke fitted kitchen is sleek and practical, with integrated appliances, soft-close cabinetry and a handsome wooden worktop adding a touch of natural texture. The design flows seamlessly into the living area, creating an effortlessly social space that’s as perfect for cosy evenings as it is for entertaining friends.

The clever layout offers both privacy and charm, with a landing that gently separates the living space from the bedroom and luxury shower room. The bedroom itself is generous and filled with natural light, enjoying leafy outlooks towards nearby parkland – the perfect place to wake up each morning. The shower room has been finished to a superb standard, with a walk-in shower, modern vanity unit and elegant tiling.

A further advantage of this property is the ownership of the loft space directly above, offering additional storage. Throughout, thoughtful details such as gas central heating, quality flooring and beautiful fixtures complete the home.
